Advance Box Office Ticketing Solution

FOR THEATRES AND ATTRACTIONS OFFERING EVENT, TOURS OR CONCERT TICKET SALES

TCS Advance Box Office is a software and hardware solution to provide ticket sales' functions for theatres and cinemas or visitor attractions offering special event or concert ticket sales. Whether it's an outdoor (unseated) concert or a reserved seating event, this ticketing system allows you to quickly and efficiently manage all ticket sales, print souvenir tickets and if required validate (bar-coded) advance purchase tickets on entry.

A great web **E-ticket interface** allows you to sell secure advance purchase tickets with instant updates to and from your on-site box office operations. The system comes complete with the ability to track customer loyalty and sales history throughout. Barcoded E-Tickets can be 'Print at home' and quickly validated on arrival using the latest Windows touchscreen technology and ticket scanning hardware.
